Online Social Networking for Business

This interactive workshop will inspire and guide the non-technical person to increase revenue and target new clients / supporters by harnessing the incredible power of online social networking. This is NOT a lecture! Bring your laptop and before you leave you will have step by step plans; specifically aimed at accomplishing your goals. If you need to attract customers or donors to your door you MUST understand why, where, when and HOW to implement Facebook, Twitter, Flickr, Google Ads, YouTube or Blogs. Includes Breakfast
